FACILITY IMPROVEMENTS

We are so excited to announce our 3 HUGE facility improvements for 2010.

**NEW
FOR 2010**

Skate Park!

Overlooking our new field complex is going to be our **BRAND NEW 6,000 SQ. FT. SKATE PARK!** The park is going to be complete with an amazing 600 sq. ft. half pipe that is going to have a slightly raised transition on the end for the more advanced skaters. We will have a great street course that is both challenging and flowing, but allows all levels of skaters to enjoy. By using smoothed transition quarter

pipes campers will be able to gain the speed they need to tackle the grind boxes, rails, planters and stairs. As we are always concerned with safety we are adding an additional skating counselor and new safety equipment. Our skating program will be reaching new levels this year!

Indoor Gymnasium!

(PENDING TOWN APPROVAL)

Our first project is a **10,000 SQ. FT. OPEN AIR INDOOR GYMNASIUM.** Located on the top of the hill behind the flag pole the gym is going to be a centerpiece for our indoor activities. Inside we will have a collegiate regulation basketball court and two smaller courts as well. This lit facility will be home to night games for both campers and counselors. Since it sits on top of the hill, it will always have that wonderful Lindenmere breeze and will be great for some camp evening activities. We also wanted to take a huge step forward on our rainy day scheduling and this new gymnasium will be invaluable for those days. This facility is going to allow a number of programs to go uninterrupted when it rains thus keeping a good flow to camp, rain or shine. We have yet to name the building and are open to suggestions!

Sporting Field Complex!

We have already completed a new **75,000 SQ. FT. SPORTING FIELD COMPLEX.** With our sports at an all time high we wanted to make sure our campers are playing on the best fields. Behind girl's side there is now a 75,000 sq. ft. field complex! We have prepped the grounds so that they are nice and level and brought in top soil so as soon as spring breaks grass will begin growing.

Then. Now. Always.

MITCH'S CORNER

With Fall Foliage behind us and Winter Reunion approaching, we are getting closer and closer to Camp 2010. I can't wait. Our 3 Huge Facility Improvements are well under way and we are so excited to watch our kid's faces when they see and start using each of them.

In life, it is so important to be grateful for all we have and also to help those who are in need of help. Therefore, in the next months we will be launching our "Kans From Kids" program. This program will allow our Kids and you, their parents an opportunity to round up canned goods from your neighbors and bring them to your local food bank. If asked to, we will send you

all the pertinent information, bags, letters to distribute, driving directions to the nearest food bank and a "Can Affidavit" detailing how many cans you donated. Of course this program will be on a volunteer basis but will be a great opportunity for Parents and Children to work together to help those struggling. Please help out if you can.

We can't wait to see all of you at the Winter Reunion!! See you soon!!

With Love, *Mitch*

THANK YOU

We want to send a special thank you to all of our loyal families for your continued support. For the third straight year, we have set the record for the highest number of Lindenmere families recommending us to friends and family. There is no greater compliment you could give us! We want to assure you that we are working harder than ever to make sure that the 2010 camp season will be the best summer ever!

VISITING DAYS & DATES

Visiting day at Lindenmere is unlike visiting day at any other camp!!! Our visiting day is filled with performances, shows and exhilaration. Besides the excitement of parents and children seeing each other, visiting day is a time for campers to show THEIR CAMP to you, their family! Our campers eagerly await the opportunity to show you the art center, the skatepark, the coral, etc. A majority of our campers are in a show or performance which they have been practicing diligently on a daily basis. Visiting day is also a great opportunity for you to meet your child's counselors and bunkmates as well.

1st Session Visiting Day:
Saturday, July 17, 2010

2nd Session Visiting Day:
Saturday, August 7, 2010

Both visiting days start at 10am and end at 4pm.

We strongly advise you not to take your child home from camp on Visiting Day. The last night of each session is carefully crafted and designed to be an emotional culmination of the summer. The bonds that are shared that night help forge friendships that last deep into the cold winter months. While it may seem "convenient", and your children may even ask to go home after visiting day, years of experience and friendships clearly point to the advantages of campers leaving together on the last day (Sunday) of each session.

SAVE THE DATE

We will once again be hosting our annual Spring Picnic and BBQ on Sunday, May 2, 2010. In the past we have always had a terrific mix of both new and returning camp families and we encourage all families to join us for this wonderful event held at camp. Campers will have the opportunity to see camp, play sports, do arts and crafts projects and meet each other from 12pm - 4pm. It is also a great opportunity for parents to see camp and meet one another. As always, a barbeque lunch will be served all afternoon!

CLOZ COMPANY ROADSHOW COMING TO A PLACE NEAR YOU!

Cloz puts together a "Roadshow" which travels around the Northeast and Florida from late January until early April. At the Roadshow, your camper(s) can actually try on the clothing and have it fitted properly. If you purchase name tapes, the Cloz Company also sews them onto clothing at no additional fee. The Cloz Company carries everything from optional and required Lindenmere logo apparel to other camp clothing as well as camp accessories. The Roadshow schedule can be found at:

FALL FOLIAGE DAY

RECAP

We want to extend a big thank you to all the families that joined us for our annual Fall Foliage Day. The weather report was not on our side, but mother nature wound up being kind to us. It was cold, but no rain! The foliage was as beautiful as promised and seeing camp surrounded by the vibrant red and golden leaves is truly a sight to behold.

We had an excellent turn out as many families joined us despite the crisp air. There were also many returning campers psyched to have a day back at camp. We had a large group of 1st time campers energized for their first "taste of camp". There is an anticipation and excitement that comes with a chance of meeting other campers who could possibly be in your bunk this coming summer. Campers also like to check out where they will be spending the best summer of their life. What a great group of campers!

The day was filled with fun, crafts, tours and food. Our resident art guru Sue had incredible art projects for the kids. There was pumpkin

decorating (of course!) and awesome fleece pillows with Fall Foliage 2009 on them. They are super cute (and comfy!) The food was great as well!

Hamburgers, hotdogs, grilled chicken, veggie burgers, salads and ziti. Needed to warm up your belly? There was chili, chicken soup, hot chocolate and smores! Super yummy! And of course there was cake, as it would not be camp without cake. A special thanks to Pam, Johnny, Brandon and Doug.

It was truly a wonderful day and it was great seeing the art and canteen buildings filled with smiling kids. Our year round staff enjoyed meeting so many fantastic children and their families. Getting to share our amazing camp with so many new families is so special to us. Thank you so much to all of you who were a part of this special day. We all look forward to seeing many of you at our spring barbeque at camp and of course this summer!

BOOK OF RECORDS

Camp is one of the very few things that continues to ring in your/our heart all year long. Each year we build upon the friendships and traditions of previous years and the Book of Records is one of those lasting traditions.

For all of our new families, the Book of Records is an evening activity where campers do their best in a variety of activities (some serious and some not-so-serious). Each year the highest scores are posted along with the Lindenmere all time scores. Campers strive to get their names etched in a piece of Lindenmere history by beating any of the all time scores.

After another year of competition, we saw a number of the records fall to the '09 campers. **Kyle Garfinkel** overtook **Alec Freudenstein's** previous middle camp record for consecutive free throws. **Alexa Copperstone** took the record for the girls as well. Not to worry too much for **Alec** because he moved up to senior camp to overthrow **Jarret Yahney's** previous record. **Sophie Chevalley** jumped ahead of **Alex Kushner** in the soccer ball juggling. **Arielle Kaplan** and **Corey Tarallo** set new records in the hand stand category. **Sabrina Goldberger** showed off her speed and took the pole for the field run. **Marlee Senderowitz** and **Seth Kahanov** both set new best times for senior camp in the stringing of the beads. **Kristin Heaney**, **Max Popkin**, **Jami Nebenzahl**, and **Darien Hey** all took their place on the board in juggling. The old record holder of the reverse alphabet didn't have a chance against **Skyla Nasseta**, **Mitchell Koganski**, and **Lauren Altman** who all set the records. Showing off her strength **Emily Greenspan** set a record in the challenging iron chair.

We can't wait for next summer to see who the new record holders will be!

ONLY 199 DAYS
UNTIL CAMP!

Thank you again for making the 2010 early enrollment period record breaking! Nothing tells us that we provided a safe, healthy and fun experience for your child better than you reenrolling for the following summer. We are very close to being full first session in many age groups and expect to close out some specific bunks very shortly.

Similar to 2009, we have already closed out a few bunks as a few bunks have close to a 100% return rate and have already requested to be together.

If you have not registered for this summer yet, or have friends who are interested in Lindenmere, please call us or have them call us soon as availability is much more limited than in previous summers.

We are happy to schedule a personal tour at camp or to meet prospective families in their home at their convenience.
