Fall Foliage 2015

What a blast! We could not have asked for a more beautiful fall day to spend at camp! The hayrides, the pumpkins, the decorations, and the s'mores—no one could ask for more festivity. We loved meeting some of our new camp families and reuniting with our old! Everyone made fun pumpkin faces, beautiful decoupage tiles, and we had a great BBQ lunch and dessert. There is no better way to see the beautiful autumn colors than by taking a hay ride with Johnny or going on a camp tour. Of course, S'more's are always great to enjoy around the campfire, and brought us back to memories of our Friday campfires in summer. This was the perfect day to share our love of Lindenmere with new camp friends and families, and the best part is, it means that summer 2016 is getting closer and closer!

Then. Now. Always!

Dear kids, parents & family,

As I walked through camp at Fall Foliage my memories of the summer always helps me re-live those incredible summer days when we are all at camp. I walked from the Stone Lodge envisioning Free Play... in some ways the best part of the day. I walked

between G4-G5 where I would see groups of girls playing cards and I'd try to see what cards they had and they would hide them from me. Walk a little further and see all the G1, G2, G3 and G4 girls playing in front of their bunk... Then gaga on my left, Craziness!!! Changing the Gaga rules to make it "fairer" and putting kids in the penalty box... Walk by

the Rec Hall... It's so quiet but then I would relive all the kids on the stage... practicing...doing...helping each other. Then the media center porch... senior campers conversing, kicking back, rocking on the metal chairs...Then onto boys side... boys being boys...but most importantly being good friends, close friends, camp friends... laughing that special camp laugh. The freedom of camp and the life that happens all summer long and with a good imagination even in the fall and winter.

A good imagination is a gift and the gift of seeing and feeling camp at non-camp times is a beautiful gift. I can't wait until it all happens again for real!!!

With Love, *Mitch*

A LETTER FROM

ODIE, MONICA & AUSTIN

We cannot believe another beautiful summer has gone by, and all we keep saying as we go back thinking of all the great memories we made is WHAT AN AMAZING SUMMER IT WAS! Six weeks filled with fun and excitement and days that went by too fast.

It is always so wonderful for us to see each camper grow during the summer. From the first day they come to camp feeling nervous and overwhelmed and overcoming this, to then trying new activities and making new friendships, to ending up not wanting to leave this amazing place. It is also great to see the counselors become and act as the best role models and mentors they can be. And personally for us it is priceless to see our little guy Austin growing in such a safe, fun, and nurturing environment, a place that he is starting to relate with and starting to call it "My camp house" . We can never thank you enough for all the love that everyone showed to Austin this summer.

Every summer is unique and fun in a different way, with that being said, this summer was a blast and we sure made some great memories. Every day I was always looking forward to spending

time with my girls in the bunk during rest hour, and then hanging out again in front of girls' side during free play chatting to everyone and catching up on our day. Odie and I definitely enjoyed teaching our minors as it is our way to have great fun with you guys. I loved our second minor "Zumba" dance party and I hope you girls did too. Odie enjoyed his legendary minor "Ultimate with Odie" as well as his Home Run Derby Challenge with the boys during free play, and his "buggy" rides with Austin all around camp waving "hi" and giving high fives to everyone.

We are now very busy already planning for summer 2016! We are reviewing everything we did this past summer and what fun and new experiences we can bring for next summer. We miss everyone tremendously and we hope that everyone is off to a great school year. For now all we can do is hold on to all those great memories we made until we can all be reunited at camp to do it all over again!

Then Now Always,
Odie, Monica, and Austin

P.S. Austin says "Hi Everyone"

FROM DARA!

We are so excited to announce that Dara Foster-Storch has been promoted to Full-Time Assistant Director! She will be handling camper recruitment, speaking with families, tours and home visits. Dara's last four summers have been spent as our Program Director, giving her an extensive knowledge of the Lindenmere program. Dara's three kids have also been at Lindenmere for the past four years, so she knows what it is like to be a parent of a Lindenmere camper. She has been involved in all aspects of camp, and really understands what it is all about and the importance of it for children. She has the ideal balance of enthusiasm and care which will make for a great addition to the year round team of Lindenmere. We know that all of the skills that she has learned over the years are going to continue to keep Lindenmere a happy and healthy camp!

Summer Memories from Elliott and Kat

Wow what a fantastic summer!! Each summer is filled with such anticipation and excitement that makes every year the best yet. This summer we had an amazing time on boys side and some of my favorite highlights were the new and improved lip sync and dance routines for evening activities, creatively themed float or float or sink water crafts, campus free play where everyone was having fun, and one of my ultimate favorites was the improved boys side chants where girls side may have finally met their match.

Whilst we have a huge amount of fun without our parents, visiting days are definitely a highlight of the summer. It is great to see so many boys performing in different shows and showing their parents projects they have been working on throughout the summer. It's heartwarming to see the smiles on our campers as they share their summer home with such great pride to their family and friends. We create such a special environment at camp and to have parents, families and friends get the chance to experience our community I am truly grateful.

As Mitch has written previously, when the campers leave it is far too quiet however the anticipation for the next summer is only just beginning!!

See you soon Boys side!!
Elliott "E Dog" Roberts

Hey there Lindenmere!

I hope everyone is doing well and starting to enjoy the change of season! Growing up in Missouri, fall was always my favorite. I never thought that would change but the past few years I have noticed now something just doesn't quite do it for me this time of year. It isn't that I am now in Florida and no longer experience the brisk atmosphere or piles of leaves, but it is more of the fact that it directly follows the highlight of my year-SUMMER & CAMP! Everything seems too quiet and less fun. I already miss being around all of our wonderful campers and staff and waking up each morning wondering what kind of memories I am going to make that day. It was such an amazing summer, definitely my favorite so far, and I have all of you to thank for that! It would not have been made possible without your dining hall cheers (especially girls' side pride), liveliness at daily and evening activities, enthusiasm for learning new things, and sense of family that I get from every single person we have at camp. I am so lucky to be a part of such a magnificent place! These months feel so long waiting to see autumn into winter, winter into spring until finally, the best time of the year will come again. I'm already counting the days down until we're all back together to make matching Tshirts, play games during freeplay, sign up for a minor together, judge things like Miss Lindenmere and Color War, take trips to the Lakehouse, dance at every meal, find ourselves singing in the rain, and having the time of our lives. I hope to see everyone at our off season events, but mostly, I hope to see everyone back at our summer home for 2016. Then. Now. Always!

Love,
Kat Sweeney

SPIRIT OF LINDENMERE

Each summer we come together to have the time of our lives. We pledge to make the most out of each day, try new activities, overcome fears, reach goals, create new friends, build on old friendships, and make memories that will last a life time. Lindenmere has something special; a spirit that is like nothing else in the world. Our spirit days, surprise meals, cheering, dancing, and who can forget color war, which are all bundled in the most supportive environment possible.

The spirit that we all possess makes such a big impact in our time at camp. It's the fun outfits that we work together to create that we remember. Who did you twin with? What super hero were you? Did you dress up as an animal? Show your countries pride on nations day? Tye dye day was great to showcase what you had made all summer. Girls did you rock a mustache, and boys a tutu? In the moment dressing up might not seem like a big deal but looking back- how much fun did we have and what great memories we made that will always be with us.

There was definitely something in the air at every meal this summer. I think all of the head staff will agree that the cheering was just EPIC! The constant back and forth cheering is still ringing in our ears and it brings the biggest smile to our faces. YES YES YES! DA DA DA DA DA DA DAAAA, Girl Sideeee Boys Sideeeeeee! Let's not forget to mention all of your sweet dance moves, the wobble, the whip, and all those free stylin' moves. Campers it is safe to say you might have caught on to when we are having a surprise meal- HOWEVER you havn't figured out what we are having. The cooks work so hard and the meals are extra delicious, mixed with decorations and music which always takes the meal to the next level.

This year we took color war to the next level. How could we not, after all we were celebrating Lindenmere's 80th year. The "Color War Clue Chart" filled with real clues and fake clues, the moving question mark, the fake outs all leading up to the special delivery of your invitation to the party of the year; BREAKOUT! We once again showed our spirit decked out in blue and white, walked into the excitingly decorated dining hall, danced to party music and anxiously awaited what was going to happen and most importantly what was in the box! It was that time, we ate our cake and with the help of odie we opened the present- FAKE OUT! We had you good! We carried on with the meal and when it was time for the announcements we realized we never read a birthday card- and with that we all took a deep breath as the DLS came busting in dancing to the music on their headphones. THE PARTY IS NOT OVER!!! We all made our way to the rec hall and had our very own Silent Disco. A few times I took my headphones off and loved hearing you all sing along to the music perfectly. Before we knew it the GLOWBOTS came out, got the all the campers and counselors revved up, and they helped us call out our generals and throw the packets! COLOR WAR 2015 broke out and way better way to commemorate the 80th summer than with Blue Modern Day, White Golden Age.

As we embark on the start of our fall, winter, and spring months with no camp, remember this spirit. This is the spirit that brings us all back together. The songs we sang, the projects we made, the friendships that were formed, the goals we met, the games we played, the sunsets we watched, the memories that were made and the family that was formed all because the spirit of Lindenmere. Hold on to it tight, and before you know it we will be living the spirit of Summer 2016. Let the spirit live within you Then.Now Always!
