PROJECTS & IMPROVEMENTS @ CAMP

HELLO EVERYONE, with 2017 now over we have already started planning for exciting new things for 2018. Check out a list of this year's projects and let's get excited for 2018's improvements of camp!

**New
for
2018**

BUNK REMODEL

We are beginning to remodel our bunks. We will be starting with our youngest bunks and working our way up to the older bunks. They will be outfitted with brand new bathrooms, knotty pine walls, new floors and AC! They are going to look like our current LT bunks. We can't wait to see everyone's faces when they get to camp this summer.

TUNNEL IS COMPLETED

We are happy to announce that we have completed our tunnel under Route 715. We are now able to cross to our 50 acres of property and put together a great plan to utilize this untouched area. There are already tons of trails, our lake and Lake House, and a couple other areas that we have ideas on already. Check out the photos that outline the progress. It took over a year to get the project started but we got it done!

MITCH'S CORNER

Dear Kids, Parents & Family,

Since we bought camp there was always a great desire to build an underpass and unite the "Lake Side" with the "Main Camp".

As one can imagine it is a very long process to get the state of Pennsylvania to

approve a shutdown of one of their roads and build an underpass through it. But we were finally able to accomplish this as was seen at Fall Foliage.

Now we will never have to cross the road again. Additionally all golf carts and gators can easily fit through. Not only are we a safer camp but we will also become a much more fun camp. Now that we can easily and safely use the "Lake Side

50 acres" we will devote our energy to make our "Lake Experience" a big part of Camp Lindenmere. The Lake House will be fully renovated and will be open for snacks all afternoon, our lake will be expanded, and our lake area beautified; decks, lounge chairs, beach volleyball will be set up and hiking trails will be carved out on the new fun side of our camp. Big exciting changes as Camp Lindenmere becomes better and better. I can't wait to see how much each of you enjoy the "Lake Side" @ Camp Lindenmere!!

With Love,

Mitch

A LETTER FROM

ODIE, MONICA & AUSTIN

Hi Lindenmere Family!

We are excited to announce two new members to our year round team. Lisa and Spencer Borine have joined us as the newest Assistant Directors at Lindenmere.

Lisa is a lifelong camper with over 21 years of camping experience. She has worked at a top camp in Pennsylvania as an Assistant Director, head counselor, office manager, health center manager and has been involved with camper recruiting and touring. Spencer also has over 21 years of camping experience. Throughout his career in camping he has been an Assistant Director, head counselor, division leader, athletic director, staff recruiter and dining hall manager at day camps and sleep away camps. They live just North of Philadelphia and are the parents their two kids Dana, who is a senior in high school and Zach, who is a junior at Temple University. Together Lisa and Spencer make a great team and are natural lifelong campers. We are looking forward to an amazing 2018 with them at Lindenmere!

ASSISTANT DIRECTORS
LISA AND SPENCER BORINE

HOST YOUR NEXT EVENT AT *Lindenmere*

With all of the wonderful facility improvements that have been made we are going to be able to operate the facility as a retreat center year round (of course not during camp months!) We have hosted groups, weddings, bar/bat mitzvahs, school groups, church camps, band camps, birthday parties and football groups for over a decade. With the limited season we have always been restricted on how many we were able to host. Now with all buildings being air conditioned and heated we are going to be able to operate year round. We have hosted all sizes of groups from 50 to 2000. We can customize your experience to meet all of your needs and budgets. What a better way to celebrate your child's bar/bat mitzvah then at the camp that they love!

LAKE HIGHWOOD

LAKE HIGHWOOD RESTORATION

With the completion of the tunnel we are able to access our lake. We are going to make this one of the most exciting areas on camp! We have already begun clearing the woods around the lake, a beach is being put in, a new dock, a "blob" will be installed, decks overlooking the lake, we have hired a new lake management company that is going to be treating the lake for water quality and eliminate vegetation growing in the lake and stock it with new fish and minnows, a complete fleet of new water toys including SUP's, canoes, floating islands, paddle boats, volleyball court, deepening the lake, new aeration systems and campfire area!

LAKE HOUSE

LAKE HOUSE REMODEL

As part of our new lake experience we have started to remodel our 5 bedroom lake house. It is going to be fully equipped with a new kitchen, new bedrooms, new bathrooms and much more! It is going to be outfitted with its own dock and become part of the daily lake activities along with bunk sleepovers for the older campers.

CHECK OUT THE TUNNEL TIMELINE PICS!

As you can tell we are going to be doing a ton this year to make Lindenmere the greatest camp on earth. We can't wait for next year to see everyone's smiling faces. Camp can't come fast enough!

With Love,

Mitch, Odie, Monica, Kat, Lisa and Spencer

Then. Now. Always!

Then. Now. Always!

We could not have asked for a more beautiful fall day to spend at camp! We loved meeting some of our new camp families and reuniting with our old! We know summer is the favorite season for camp, but it is so important to us to have these reunions for the chance to see our camp friends throughout the year. We created candy apples, made festive pumpkins to take home, picked out our favorite glitter tattoos, and tried out making colorful trays with shaving cream. We also enjoyed a Barbeque lunch because we know it is a camp favorite. The donut eating competition was fierce and the hayrides were a hit, and we had the chance to make our first s'mores of the season. We hope everyone who went on the tours had a blast and we were especially excited to show everyone the completed underpass to the lake! The best part is, it means summer 2018 is approaching quickly. Happy Fall!
