

# Camp Lindenmere Connection

★ THE OFFICIAL NEWSLETTER OF CAMP LINDENMERE ★

*Dear kids, parents & family,*

This week is Tri-State Convention in Atlantic City, NJ and what that means is that the time from here until we are moving back to camp will fly by. Obviously, I/we can't wait.

It has been a very mild winter in Henryville (tomorrow is going to be 76°F) and yes there is more winter ahead but what's also ahead is the most exciting time of the year... getting ready to leave for camp. All you new parents stay very positive about this summer.

Tell your kids they will have a great time at camp. Do not let them get into the negatives. Continue the conversations how lucky they are to be going and that they will do great, meet friends, and have so much FUN!! For me... 90 days and counting!!

Love Always,

Mitch

INTRODUCING A BRAND NEW DEPARTMENT:

## THE EXPLORER PROGRAM

**Get ready for a science and nature program right here at Lindenmere! Become one with Mother Nature and think like an explorer!**

This program will bring out the science and nature lover in you by incorporating our already existing Outward Bound, Wacky Science and Rocketry Programs with two brand new major selections... **Natural Science** and **Eco-ID!**

**Natural Science:** Our new Natural Science program will offer activities like gardening, terrarium building, small animal collection, scientific sampling, projects, exploration of trail camera footage and more!

**Eco-ID:** Our new Eco-ID program will offer campers the opportunity to find a whole new meaning to their camp experience. You'll explore the world we live in at camp, the surrounding ecology of the Poconos and learn all about the fauna, wildlife, and plants around us. You'll hike, use binoculars, seek and explore tracks, and much more. Our campers will be Eco-ID experts by the end of the session.

In Wacky Science and Rocketry our campers will continue to explore new and exciting science projects, launch their very own rockets and see their ideas come to life in a brand new location! Our Outward Bound program will continue to excite with orienteering and fire & structure building. But wait there's more...we are very happy to announce a new and awesome addition to the Outward Bound program... **GEOCACHING** the outdoor tracking and treasure hunting navigation game! Campers will use maps and GPS's to locate all kinds of hidden spots around camp.

Our plan is to have Lindenmere campers explore the natural world to become overall wilderness exploration champions.

*Then. Now. Always!*

## WHAT'S NEW FOR

# 2016!

### WHAT'S NEW?!

In addition to our brand new, 10,000 square foot state of the art Hockey Pavilion and covered rec center, check out some other new and exciting things coming your way for summer 2016!

### A complete fitness circuit course!

Our goal is to challenge all campers to become interested and inspired to learn about fitness. A brand new fitness circuit course will offer our campers the opportunity to experience an entirely new approach to exercise that's designed to achieve overall body fitness in the most fun and challenging way. We will be setting up the course on the upper field and throughout the surrounding woods so that we can integrate both hills, woods and flat terrain surfaces for varied difficulty.

### A Brand new baseball field!

Play Ball! We're bringing baseball and softball to a new level at camp this summer by installing a "Home Run" outfield fence and completely restoring the infield. We have listened to our campers and are removing the grass infield and replacing it with clay. There might be a couple of other surprises in the area but you will have to wait and see!

Many parents have come to us about offering a **healthier option at canteen**, something other than candy or ice cream. We have decided that this year we will be offering fruit every night at canteen to make sure everyone has a healthy choice in addition to camper fan favorites like our huge assortment of Candy and MiniMelts!

**New Elements** in Outdoor Adventure! Every year we add a couple new and exciting elements to the Ropes Course and this year is no different! We are very excited to announce new daring additions for our adventurers! We will be incorporating a new set of "Swinging Loops" and a new "DNA Horizontal Ladder" into the South end of the course. These elements are going to bring a new higher level of challenge for our more advanced thrill seekers!

### New Majors

**Flag Football:** Our athletics department is as popular as ever and we're always looking to evolve it further every year! We are psyched to announce for summer 2016 an awesome Flag Football major where campers will learn the basics & rules of flag football while getting out on the field and practicing techniques during fun and competitive scrimmages.

**Glass Fusion:** In this new and exciting art offering, campers will have the opportunity to experience the magic of glass fusion! Campers will be able to create beautiful and unique glass work in our brand new state-of-the-art glass fusion kiln. Be innovative and learn to construct your very own projects! Use your favorite colors as inspiration on things ranging from plates, bowls, chimes, trinkets, individual designs and more!

# INTERCAMP GAMES THIS SUMMER!

Calling all Lindenmere athletes and their fans! We will continue to have our exciting regularly scheduled intercamp games in the Pike County League, along with Pocono Trails & Nock-A-Mixon, throughout the summer. This year, in addition to our regularly scheduled games, we've planned exclusive tournaments twice a week with our friendly and competitive, rival and neighbor...CAMP CANADENSIS! The games will vary and will represent many of our awesome departments at camp. So get psyched campers to play hard and show off our Lindenmere pride!

- Josh K.

"I took a deep breath. "Fine!" I took a few steps backwards, bent my knees and sprinted towards the water. Just before I hit the concrete lip of the pool, I launched myself into the air.

Time seemed to slow around me. The sun reflected off the water, lighting the excitement on my friends' faces. The colors of the camp were bright; the beautiful blue and red of the twisty slides, the vibrant, lively green of the grass and the bright, inviting blue of the pool. I could hear my heart thump in my chest and for a moment, it seemed that the camp was whispering promises of wide-open happiness for the fresh, new summer that was about to begin: a summer of friends, laughs and memories.

The whole world paused for a moment, watching me fly through the air, and then I hit the water and summer began."

- An Excerpt from written response by Sylvi S.

# Get **PSYCHED** for our SPRING PICNIC

please join us for our annual, fun-filled, Camp Lindenmere Spring Picnic and BBQ on Saturday June 11th, 2016 from 11:00am-3:00pm! You'll feel the excitement and energy of camp and get a chance to meet new and returning campers... and some of our wonderful staff are waiting to meet you too! We'll have all kinds of fun activities planned for you including lawn games, art projects, camp tours, icebreakers and much more! Remember, this is a great opportunity for you to also drop off your camper's luggage so you don't have to make a special trip up to camp or use the luggage company. We will be sure to send you a reminder email as the picnic date approaches, however if you know you will be in attendance, please email us at fun@campLindenmere.com to RSVP. We can't wait to see you all!!!
