

Camp Lindenmere Connection

★ THE OFFICIAL NEWSLETTER OF CAMP LINDENMERE ★

We had an amazing day at the Funplex!

It is always so wonderful for us to be able to make it up from Florida to see so many of our campers and families. It warms our hearts to see the excitement and hugs and hear of the get togethers that have happened since camp. It reminds us of a summer trip day spent with bunkmates and camp friends playing arcade games, riding rides, racing around the go-kart track, challenging each other in laser tag, winning tons of tickets and prizes, and by seeing all the laughs and smiles amongst each other. We enjoyed our pizza lunch and ice cream sandwiches while watching the camp slideshow and then taking an incredible group photo! We hope you all loved getting the Lindenmere Pom Hats and Summer 2017 CD as holiday gifts! The reunion truly helps the long off season feel shorter and continues to build on one of the most rewarding communities to be a part of, CAMP. We hope everyone who came had a great time, and for those of you who couldn't join us, you were missed! We look forward to our spring picnic and the first day of camp when we are reunited for summer 2018. It's just around the corner!

Winter REUNION

MITCH'S CORNER

Dear kids, Parents & family,

After New Years Day there's a whole new feel to camp for me. From mid Aug.-Dec 31, the focus is on construction and what to do new for the coming summer BUT on JAN. 1,

everything changes in my mind...camp is coming and coming fast!! All the outside construction has been finished and now our construction moves inside (due to the weather). BUT my focus and attention turns to the summer and you kids. How will we make the Summer of 2018 the BEST in Lindenmere's 83 years? That's always our goal and I

promise you camp will be better in so many ways. I can't wait to watch how excited you will be as you are reunited with your friends and meeting all your new friends at your summer home. I can't wait to be back in Henryville and with all of you! Luckily time flies from here on!

See you soon.

With Love,

Mitch

A LETTER FROM

THE ODIORNE'S

Hello Everyone! Can you believe that camp is only a few months away?!? Don't worry all the cold and snow is going to be a thing of the past and before you know it the buses will be rolling into camp full of happy smiling campers. We thought we would pass some fun news along to get you through the winter months. We are going

to be revamping our Explorer Program Department by adding a new robotics and STEM program this year!

Robotics will include building, programming and operating different types of robots. We have been working with some schools to find out what is the latest and greatest and will be rolling it out this summer. STEM stands for science, technology, engineering, math. We will be combining our Wacky Science and Natural science majors to encompass all the above and will be conducting experiments on a variety of topics such as: Solar Power, Magnetics, Temperature, Circuits, Pulleys, Electricity and more. We are also going to have all the new activities down at the lake as well. Stand up paddleboards, a blob, volleyball, nature hikes and more are all going to be part of our majors and minors. Get ready for an action packed summer! See everyone soon.

Then Now Always,

Odie, Monica, and Austin

REFER A FRIEND

TO CAMP LINDENMERE

We wanted to announce that we are continuing our "refer a friend" program for 2018.

We currently receive over 50 new campers from our current or previous families each year. Lindenmere understands that you don't have to make that connection for us but we certainly appreciate that you do. We wanted to think of ways that we could properly thank you and have decided that anyone that refers someone to camp, and they end up enrolling, we will send you a \$100 gift card for our camp clothing company "The CampSpot." Last year we added many newly designed items to choose from and they were a hit! Just have your friends let us know that you referred them to us and we will put a gift card in the mail for you!

Moments from 2017

SPiRiT OF LINDENMERE

We got SPIRIT YES WE DO!

Every summer at camp we all come together to be ourselves while having fun and making memories. Only at Lindenmere do we know how special it really is to dance and cheer at the end of every meal, have weekly themed spirit days, and even enjoy our special surprise meals! YUM!

Even though all of the participation in these events make our camp so very unique, there is one camp tradition that stands above the rest – COLOR WAR! We know it is a favorite time of summer for our campers so we wanted to share these highlights from CW 2017, Blue Mystical Reef vs. White Enchanted Forest to bring you all together during the long winter months and remember the Spirit of Camp Lindenmere. Thinking of our singing, dancing, chanting, silliness, and spirit. We can't wait to do it all over again in 2018!
